

DAVID NORBURY TRAINING CLINIC 18TH APRIL 9.30AM - 3.30PM

Enhance your horse's performance regardless of what discipline you ride.

This mounted clinic is tailored to the participants, aimed at working on the unique needs of each individual horse and rider relationship.

The topics will vary from suppleness, manoeuvres to getting the best out of your horse & identifying techniques that can enhance your horses performance.

David has training stables located in Kinglake West, and has previously conducted clinics at Equitana as well as large scale demonstrations for Western Riding, Western Pleasure and Reining.
